Fun Poems: "Winter"

Draw and color a picture to go with the poem.

Winter is the season that comes after fall.

It's fun to watch snowflakes as they swirl around.

Winter is the coldest season of all.

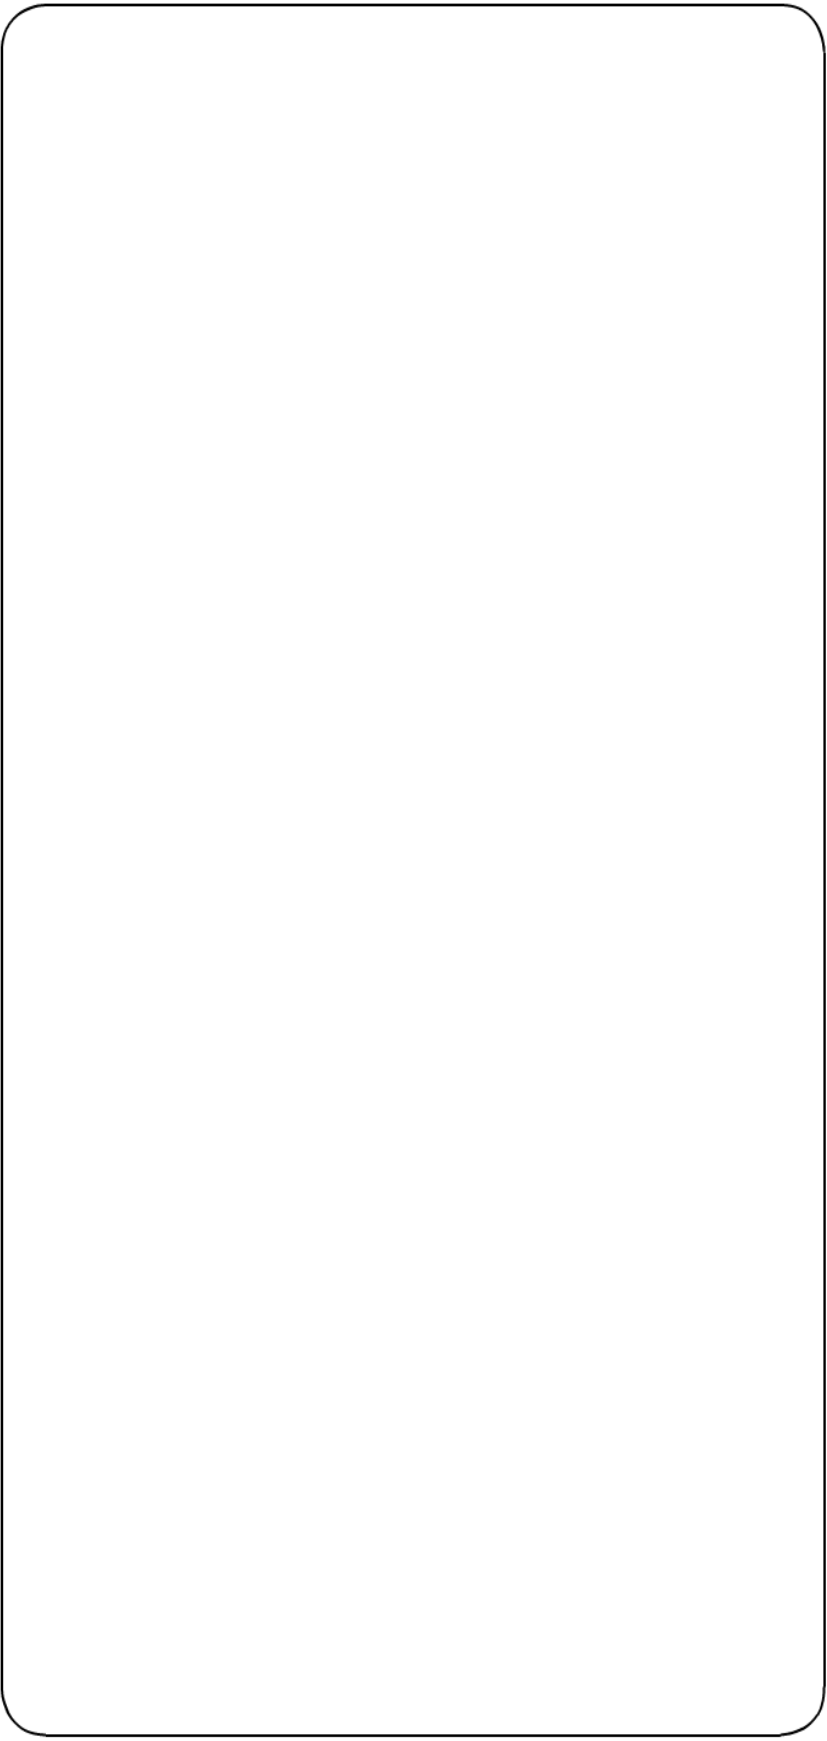

And soon, a white snow blanket will cover the ground.

When the winter wind blows, there's a chill in the air.

Then we'll put on our snowsuits and race out to play,

It whistles through trees whose branches are bare.

Making snowballs and snowmen on a cold winter day!

Teaching Tip: Read the poem aloud with the child. As you read the poem together, encourage him or her to visualize what the poet is describing.
