

Look at what I made!
It's a present just for you.
It's a little dreidel
That I painted white and blue!

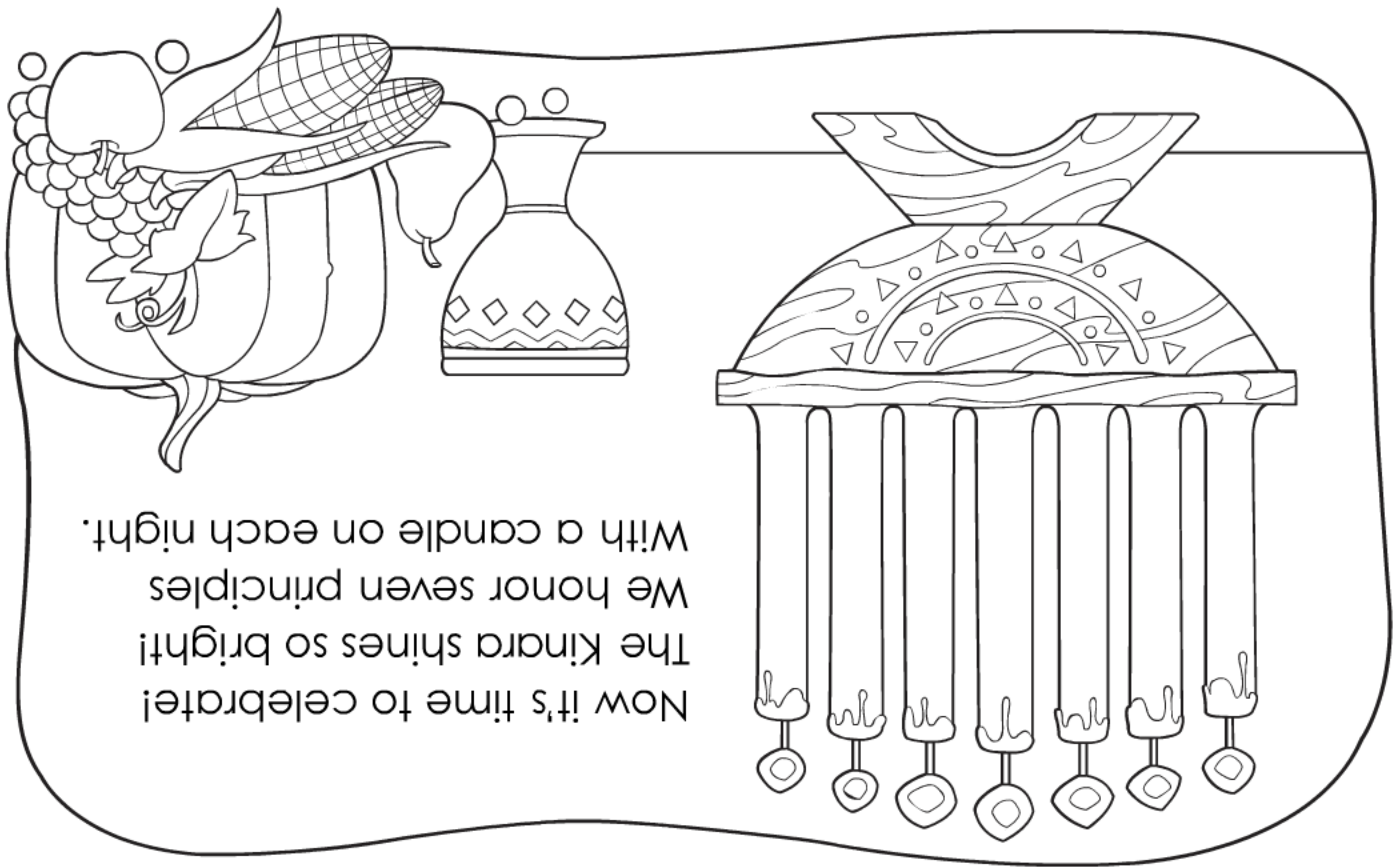

It's almost time for Christmas!
I know we'll all have fun.
We'll decorate the Christmas tree.
There's a gift for everyone!

I wish a Happy Kwanzaa
To all my family!
There'll be good food and gifts for all
And lots of hugs for me!

Now it's time to celebrate!
The Kinara shines so bright!
We honor seven principles
With a candle on each night.
